You are hereby notified that the Guam Environmental Protection Agency has approved your application for Monitoring Well Operating Permit, with the following conditions:

1. The Permittee/Owner shall operate the monitoring wells in strict compliance with the requirements of the Water Resource Development and Operating Regulations and other applicable GEPA Regulations.
2. The Permittee/Owner shall see to it that the well(s) shall be covered with an appropriate locked cap and bear the label "Monitoring Well" and the name of the Agency or Organization.
3. That the monitoring well(s) shall remain locked at all times except when monitored.
4. The Permittee/Owner shall file with the Administrator an Annual Monitoring Well Report, no later than January 15 of each year. (See attached Annual Well Monitoring Report Form).
5. The Permittee/Owner shall submit monthly report on the analytical analysis results of the water.
6. The Permittee/Owner shall prepare and submit other reports as required by the Administrator.
